2024 COACH COMMENT

Cooper will primarily play second base this year on Varsity. Pitching is in question? He's grown and has gotten stronger from 2023. Expectation is to be one of our consistent bats in the top of the order to drive in runs and get extra base hits. Has a good glove and can make tough plays. Looking forward to his contributions!

2023 COACH COMMENT

Has more size and strength this year and has now positioned himself to be a real contributor on Varsity. IF arm stays healthy he'll help us on the mound. Very capable defender. Offense is trending up!

2022 COACH COMMENT

Cooper has grown this past year physically. With continued work offensively and as a pitcher Cooper will look to to maximize innings on the Soph and JV teams as well as get his first taste of Varsity baseball this Spring.

2021 COACH COMMENT

Cooper is a younger player in his grade. He will be a "late bloomer". Maybe late soph or early junior year his good physical growth coupled with infield glove work and pitching ability will make him worth keeping around.

PLANS AFTER HIGH SCHOOL

Will play baseball at Western Nebraska Community College in Scottsbluff, Nebraska.
