2024 COACH COMMENT

Saw time defensively in CF at the Varsity level in 2023. Expected in the OF again this year at both the Varsity and JV levels. If he can get his bat going he'll have a shot at the Varsity hitting line-up as well.

2023 COACH COMMENT

Had a breakout year as a freshman in the outfield. Ability to track down balls has raised the expectations for him in the program. Offensive talent and baserunning will be put to the test, but he'll get his shot this year.

2022 COACH COMMENT

Speed and reckless abandon are in his DNA. Had decent winter workouts prior to the season, but showed his dedication and passion to play this game. There's still learning for him to be good at this level. Hold on tight!
