2022 COACH COMMENT

Good thing speeding tickets aren't handed out on the ball field. This kid can run and it's going to benefit him. Kason could play CF, INF and P at the varsity level. Should be a solid bat and take a lot of extra bases.

2021 COACH COMMENT

Kason is primarily an infielder/pitcher. With his above average running speed he could see the outfield grass once in a while. A competitive player who is a tough out at the plate and can cause problems on the bases.

PLANS AFTER HIGH SCHOOL

To play college baseball.
