2024 COACH COMMENT

Degan has strength and power as a hitter. But, is it ready for the Varsity pitching? IF it is he'll see at bats on the Varsity level. If not quite ready, he'll play full-time in the OF on JV. A good runner with an improved arm.

2023 COACH COMMENT

With a year of high school playing experience Degan's perspective, strength and overall baseball knowledge has improved. A good runner who could deliver some big hits for the Sophomore and/or JV team this Spring.

2022 COACH COMMENT

Degan is a strong kid with a big desire to improve wherever he can. Will need to use this year to focus on a consistent and adjustable bat path. A good outfielder who may also pitch a little.
