

## 2022 Summer Baseball

- There are two levels of teams (Varsity and Sophomore).
- There are only two teams and not three as in Spring. Playing time for some will be cut back.
- There will be approximately 11 players on each level.
- Pitching doesn't guarantee you'll hit. Playing defense doesn't guarantee you'll hit. Hitting doesn't guarantee you'll play D.
- Fair and equal playing time for starters vs. non-starters cannot be stressed over by coaches. So, it will not be a priority.
- Most games are played on Monday and Wednesday. Not many Fridays this year.
- Practices are very limited due to summer jobs, vacations etc.
- No affiliation with the high school or UHSAA.
- Travel to games is the responsibility of the player/parent.
- Meet at away game site 1 hour prior to game time.
- Carpooling to games is fine. Gas is not cheap. Players can ride with other parents/players.
- Meet at Ken Price Field 1 hour 20 minutes prior to game time on home games.
- No lockers in the summer. Access to refrigerator and freezer in locker room is still available.
- \$150 Player cost. Venmo @murrayvarsityprep or write a check to Varsity Prep Baseball.
- This fee also includes their three shirts/jerseys getting numbers put on them.
- Additional shirts/jerseys and apparel can be purchased throughout the summer like always.
- DO NOT pay for Summer Ball on the website.
- Only grey pants are worn. A black stripe down the side is not necessary.
- Sophomore games have a "No new inning after 2 hour" time limit. Drop dead at 2:15.
- Vacation: You are fine to go on family vacations during the summer season. Let Coach Wilson know at least 7 days ahead.
- There will be a Google Form sent to your son so you can enter dates you know you will be gone this summer.
- Playing for other baseball teams? Contact Coach Wilson and get approval first. Don't get caught doing this.
- A handful of players on our team play for travel teams or some get "cherry picked" occasionally to play a tournament.
- Communicate, communicate, communicate.
- If you play other sports, that is fine. Camps and practices? Just let Coach Wilson know what is going on.

## Sophomore Level Logan Tournament

- This is for current sophomore and younger ages.
- Held at Mountain Crest and Ridgeline high schools in the Logan area.
- This is NOT part of our regular summer league or part of the fees. Thus, not all players will be asked to attend.
- Playing time will be given nearly 100% to the same eight or nine players in all 4 games.
- A pitcher may be asked to come and pitch for a day, but this does not necessarily come with additional playing time.
- In this scenario the pitcher could get a room and stay over night just to hang out or he is welcome to drive home.
- The fee will be about \$50 per player. The "pitcher only" scenario just covered would not be charged a fee.
- There could be a 5<sup>th</sup> game in the tournament if we play in the 3 P.M. Championship Game.
- The tournament schedule can be found on our website as well as on the 2022 Summer Schedule.
