2024 COACH COMMENT

Kason will move into the infield from the outfield for us this year in Varsity. He'll also be back on the mound in 2024. Kason has range and a big arm in the infield. He also has the ability to get Varsity hitters out on the mound. Offensively we are looking for big contributions near the top of the order. If Kason has a good year offensively he will move around the bases and score a lot of runs for us.

2023 COACH COMMENT

Moves in from the outfield to shortstop at the Varsity level this season. Capable of making the big defensive plays. He'll also be on the mound again to help our pitching staff. A very good runner with offensive talent.

2022 COACH COMMENT

Good thing speeding tickets aren't handed out on the ball field. This kid can run and it's going to benefit him. Kason could play CF, INF and P at the varsity level. Should be a solid bat and take a lot of extra bases.

2021 COACH COMMENT

Kason is primarily an infielder/pitcher. With his above average running speed he could see the outfield grass once in a while. A competitive player who is a tough out at the plate and can cause problems on the bases.

PLANS AFTER HIGH SCHOOL

Will play college baseball at Big Bend Community College in Moses Lake, Washington.
