### 2023 COACH COMMENT

Brady take on a new and much needed role in the program this year as relief/closing pitcher on the mound. His slightly unique arm delivery and ability to throw strikes could be a huge benefit to our team in 2023.

### 2022 COACH COMMENT

Just having Brady back is somewhat of a miracle after suffering major injuries to both arms in the off-season. Brady could see a little mound time coming off injury. Projects to play OF and even some catching.

### 2021 COACH COMMENT

Coming off a productive summer on the mound in 2020. Brady will play mostly outfield when not pitching. Had an off-season injury that could slow him a bit in the Spring. Getting back healthy is first priority.

### PLANS AFTER HIGH SCHOOL

Go to college.
