2023 COACH COMMENT

A breakout season on the mound in 2022 showing his capabilities to limit the runs from his opposition. Aiden will be a Varsity starter on the mound. He will also play the outfield and first base, where he's one of the best.

2022 COACH COMMENT

With Aiden's glove work and athletic mobility he should be one of the best first basemen in Region 6. If he dials it in on the mound he could see substantial pitching innings. A tough out at the plate and gets on base.

2021 COACH COMMENT

Athletic 1B/OF plays with a lot of energy and has an advanced ability to make plays on defense. He will play all levels in multiple roles. His pitching is coming around. Offensive bonus if we can get his speed on the bases.
