### 2024 COACH COMMENT

Easton will bounce back and forth from first and third base. He'll hit in the middle of the batting line-up and have a lot of opportunities to drive in runs with his big bat. He should have a big year for us.

### 2023 COACH COMMENT

Easton will see time at 1B and 3B in 2023. He's shown the capability to make plays at the corner. Has the ability to deliver some bit hits in our lineup. Will only get better each year as he plays more innings.

### 2022 COACH COMMENT

A transfer from Kearns, Easton will fit in just fine as he knows many of the players in the program. He's a big frame kid with a good upside. He'll play the corners in the infield and swing a pretty big bat in the lineup.

### PLANS AFTER HIGH SCHOOL

Will play college baseball at Cerro Coso Community College in Ridgecrest, California.
