### 2024 COACH COMMENT

With the elimination of the Sophomore level, Bryson will be playing primarily JV this season at middle infield and pitching. Will get a lot of playing time this Spring. If he learns from each at bat/game he'll have a good year.

### 2023 COACH COMMENT

Bryson will be making the move to the right side of the infield to second base. He should do fine moving over from shortstop. Will see a little time on the mound as well. A good contact hitter who will be a contributor at the sophomore level in 2023. Like other Freshmen, growth and strength will develop over the next 12-18 months

### PLANS AFTER HIGH SCHOOL

Play college baseball after high school graduation.
