### 2024 COACH COMMENT

All healed up from arm surgery a year ago. Jamison had a good summer and we hope it carries over into this Spring. He's a pitcher only for us and should see a good amount of Varsity innings. If he stays mentally tough on the mound he could have a good year. He's got good strike out pitches which will really help.

### 2023 COACH COMMENT

Off-season arm surgery and still in the recovery process as of Opening Day. When he regains his health and is cleared to throw he'll be back on the mound. We are hoping for the best as he's put in a lot of work into rehab.

### 2022 COACH COMMENT

Jamison has been putting in the work on his pitching this past year. He'll be looking to climb the ladder on a deep pitching staff. As a 1B and OF, Jamison will also continue to work to be a offensive contributor.

### 2021 COACH COMMENT

Jamison is new to the program this year. A freshman who will try to establish himself an everyday player. As with many freshmen, game experience should help him going forward as a pitcher and hitter.

### PLANS AFTER HIGH SCHOOL

Will play college baseball at Blue Mountain Community College in Pendleton, Oregon.
