

At Hillcrest Junior High we have a PE uniform requirement. A sport grey colored t-shirt and a dark navy blue shorts are the colors we use. The shirt is \$6 and the shorts are \$9. These can be purchased here at the school, on-line or by calling our finance office at 801-264-7442 ext. 7161. If the student has this color of clothing at home they can wear them for PE as long as they are our exact colors. As of now your student has not purchased clothes here and has not brought any from home. A grade decrease will soon be assessed and participation will not be allowed. If money is tight I can sell him a used pair for \$5 (depending on my inventory of used clothing). These are still in good condition. If your student is on Fee Waiver he needs to see the finance office and get the waiver for PE clothes.

**Please inform me below of his PE uniform situation:**
