2024 COACH COMMENT

Jacob has had years of experience on our Varsity level and should be a cornerstone to our success defensively as well as on offense. He'll command a pitching staff with many different styles, deliveries and pitches. But, he's up to he's up to it. Should hit near the top of the order and use his speed to swipe some bags.

2023 COACH COMMENT

Jacob has solidified himself as the Varsity catcher and will continue working on the small things which will benefit our pitching staff and his potential future in college baseball. A fast runner with big offensive upside.

2022 COACH COMMENT

Jacob has gained a lot of experience catching throughout Summer and Fall with Murray as well as his travel team. Jacob will look to compete for the Varsity catching position and contribute in the Varsity hitting lineup.

2021 COACH COMMENT

Jacob is a catcher/pitcher with the capabilities to play corner infield as well. He's another freshman who will be a tough out at the plate. Hits the ball hard and runs the bases very well.

PLANS AFTER HIGH SCHOOL

Will play college baseball at Columbia Basin Community College in Pasco, Washington.
