2023 COACH COMMENT

Easton will see time at 1B and 3B in 2023. He's shown the ability to make plays at the corner. Has the ability to deliver some bit hits in our lineup. Will only get better as he matures and plays more.

2022 COACH COMMENT

A transfer from Kearns, Easton will fit in just fine as he knows many of the players in the program. He's a big frame kid with a good upside. He'll play the corners in the infield and swing a pretty big bat in the lineup.
