2024 COACH COMMENT

Brody appears to be recovered from his devastating injury which kept him out of his entire Freshman season. I expect this year he'll see both mound time and 3B time at the JV level. A lot of potential in that big frame.

2023 COACH COMMENT

Brody has unfortunately suffered a fairly severe injury which has carried over from the football season. He will not be participating in Spring or Summer baseball for Murray this 2023 season. However, he's a good talent with some upside potential and we welcome his return in 2024 as a Sophomore.

PLANS AFTER HIGH SCHOOL

Play college baseball after high school graduation.
