### 2023 COACH COMMENT

Vaughn will be a big additon back into program in 2023. A defensive wizard at times who will play up the middle for us. A good runner who will try to bounce back offensively from missing the 2022 year.

### 2022 COACH COMMENT

A returning All-Region infielder Vaughn will once again be playing up the middle at the varsity level. He'll bring depth to our pitching staff and the offense. A good runner who has added a little power to his bat.

### 2021 COACH COMMENT

Vaughn shows signs of being a very capable infielder with good glove work and quick hands. Continues to work on his offensive ability while trying to break back into pitching after a few years off.

### PLANS AFTER HIGH SCHOOL

Attend Utah State University or play college baseball.
