2023 COACH COMMENT

2022 COACH COMMENT

It would be expected to see Hadden bouncing back and forth from the sophomore and junior varsity teams. Defensively he may be playing infield, outfield or even catcher. Offensively, could be a good year for him!

2021 COACH COMMENT

Making the jump from 13U to high school. His running speed and ability to hit will make this transition work. Like most ninth graders Hadden will continue to work on defense to round out his game.

PLANS AFTER HIGH SCHOOL

Hopefully play college baseball. If that doesn't work out then attend SLCC or get a job and get steady for a bit.
