### 2024 COACH COMMENT

Kind of a Wildcard year ahead. Will see full-time work on the JV level in the outfield and on the mound. Could potentially see varsity innings on the mound? There's potential here with Bode. Just need the consistency. Will consistency. Will it be this year or next we see it all come together for him offensively and/or on the mound?

### 2023 COACH COMMENT

The playing time as a freshman through Spring and Summer will serve as a guide to moving Bode forward in our program. Coaches anticipate seeing continued improvement in all aspects and a good 2023 year ahead.

### 2022 COACH COMMENT

A kid who you can tell loves playing the game of baseball. Showed well in winter workouts with the team. Will see most of his time on the Sophomore level as a pitcher and outfielder. There is upside here. How much?
