2022 COACH COMMENT

Kyler could be a big part of the varsity program this year. Kyler will see time at catcher as well as the possibility of being one of the starting pitchers. Hits the ball hard. We could see a senior year full of offensive production?

2021 COACH COMMENT

Kyler has really been coming on since his sophomore year. Shows strong capabilities as a leader behind the plate. Had a good 2020 summer offensively. Could see him pitch, play infield or catch.
